You will be contact within one month of application with notification of your status.

Our Service Projects

Eagle River Recreation Association—The club donated \$50,000 to the Save the Dome campaign to kick off fundraising for needed repairs at the historic hockey dome.

Edward U. Demmer Library—The club used a matching Rotary District Grant to donate \$15,000 to this renovation project in Three Lakes.

Marshfield Children's Hospital—The club donated \$5,500 in 2018 for the purchase of virtual reality glasses for the hospital, via the Christmas in July charity. These VR glasses are used to calm children prior to surgery, which results in the reduction of medication needed in advance of the procedure. This means kids have a quicker recovery time and can go home sooner, sometimes several days sooner.

Silver Lake Beach—The club donated over \$75,000 for major repairs and renovation of the Silver Lake Beach house.

Other local Rotary donations include:

- ⇒ *Great Headwaters Trail*
- ⇒ *Three Eagle Trail*
- ⇒ *Eagle River Historical Society*
- ⇒ *Northland Pines School District academic and athletic donations*
- ⇒ *Wounded Warriors in Action*
- ⇒ *... and many other worthy causes in our community!*

Internationally, the club raised \$75,000 for a well in Berard, Haiti. The residents of this town did not have access to clean, safe water until this well was provided by The Rotary Club of Eagle River and funds from The Rotary Foundation. The club also provides financial assistance for an "adopted" student in San Felipe, Mexico.

The Rotary Club of Eagle River meets Mondays at noon at Riverstone Restaurant. Our meetings include lunch and a presentation from area residents. One can learn about a variety of subjects, ranging from Telemedicine to beekeeping. You'll also meet some nice people, your neighbors, who comprise The Rotary Club of Eagle River.
